Hi Erin-

Could you have forwarded the wrong documents? I don't see any comments!

Jean

Hi Gail and Jean,

I'm forwarding comments Paul Jones made on the draft CWA JD and functional assessment documents you sent out on July 20. I'm sorry I didn't realize Paul had intended these to go to you along with my comments.

We are still collecting comments from others at EPA and will get them to you as soon as possible.

Erin

Hello everyone-

Please find the attached documents discussing DWR's proposed methods for the Preliminary Jurisdictional Determination of Waters and Wetlands and the Wetland Functional Assessment, components of the 404 (b)(1) Alternatives Analysis for the Bay Delta Conservation Plan. Please send us your comments and edits to these plans as we discussed at our July 7, 2011 meeting. We will incorporate changes for a final review.

Thank you,
Jean
